THREE DOG LOGISTICS AWARDED FOR OUTSTANDING PRINTING

Greenbelt, Maryland March 2017 Three Dog Logistics has earned an Award(s) of Excellence for superior work in most unique Direct Mail Format for their product "The Retriever" in the 2017 PGAMA Excellence in Print competition. The annual contest is sponsored by the Printing & Graphics Association MidAtlantic (PGAMA), and showcases the skills of commercial printers, engravers, embossers, binders, designers and others in the industry. Awards were presented during the Excellence in Print Gala held March 22nd at Martins Crosswinds in Greenbelt, MD.

From hundreds of entries, an independent panel of experts selected the very best work based on qualities such as precision of color reproduction, use of design and degree of difficulty. Awards are divided by the media type and process, as well as the type of press on which the item was created.

Three Dog Logistics uses technology, industry knowledge, its network of carriers, and high volumes of mail to offer its clients deep discounts in postage for direct mailers. In addition, warehousing services and tracking of mail for visibility from dock to delivery provides added value to make large direct mail projects possible for many of their clients. The Company offers commingling and drop shipping services, including expedited drop shipping of letter mail, parcels, and flats as well as their expert advice to guide direct mail projects on how to benefit from various USPS programs.
